

Workshop “Household Finance and Retirement Savings”

19-20 October 2017, Collegio Carlo Alberto, Turin

CALL FOR PAPERS

CeRP-Collegio Carlo Alberto, CINTIA-Centro Interuniversitario Netspar Italy and the Department of Economic, Social, Mathematical and Statistical Sciences of the University of Turin are organizing the Workshop ‘Household Finance and Retirement Savings’, scheduled on October 19-20, 2017.

The objective is to host presentations and foster interaction between senior and junior researchers working in the area of household finance and retirement savings. The workshop will include state-of-the-art research on household risk management over the life cycle.

TOPICS: We solicit papers in the following areas, but other related areas may also be considered:

- Savings, insurance and portfolio choices over the life cycle
- Labor income and unemployment risk
- Consumer indebtedness, financial distress and default decisions
- Financial literacy and retirement savings
- Theory based empirical household finance
- Retirement planning and financing
- Behavioral approaches to household finance
- Technological advances and risk management

KEYNOTE LECTURE: Alexander Michaelides (Imperial College London)

ORGANIZING COMMITTEE: Elsa Fornero and Carolina Fugazza

PROGRAM COMMITTEE: Francisco Gomes, Michael Haliassos, Alain Jousten, Christian Julliard, Giovanna Nicodano

PAPER SUBMISSION PROCEDURE: If you wish to submit a paper, please email your paper/long abstract as a pdf file to cerp@carloalberto.org. Only electronic submissions will be considered. The **deadline for submission is June 18, 2017**. Inclusion in the program will be confirmed by June 30, 2017.

The Collegio Carlo Alberto will take care of flights and accommodation for paper presenters and discussants.

If you have questions please contact: carolina.fugazza@unito.it; or silvia.maero@carloalberto.org
